

THE GREAT FISH COUNT

Fish illustrations by Jonathan Allen

FREE FOR ALL AGES | SATURDAY, JUNE 1, 2019 | 18 LOCATIONS ACROSS NY AND NJ

**New York's waterways are wilder than you think.
Now, you can explore them all.**

Discover the underwater world in your own backyard. Drop by one of our sites to help leading marine scientists catch, count, identify, and release some of the 225 fish species found in the Harbor and Hudson ecosystem. Visit worldsciencefestival.com for more information.
